

DRAINAGE SUPERINTENDENTS ASSOCIATION OF ONTARIO

McNEELY-TAILLON-STANTEC ACHIEVEMENT AWARD
NOMINATION FORM

(Please print or type all required information)

Nominee Information

NAME: _____

MAILING ADDRESS: _____

MUNICIPALITY/COMPANY: _____

CRITERIA:

In the space below or on another sheet, give a brief description of the activity, idea or program, invention, effort or achievement, cooperation with other groups, etc.; accomplished by the nominee as a Drainage Superintendent or individual; by furthering DSAO objectives as found in the DSAO Constitution. The results should provide a significant contribution to drainage and agriculture locally or provincially.

Chapter Five Niagara Region wish to nominate Frank Jonkman for this award for his innovative management techniques displayed to negotiate ,in the best interest of the landowners , a method to contain costs associated with the work completed in the Holland Marsh area when it came to the re- construction of the pumping systems and cleaning out the open-ditch system. Frank as a Drainage Superintendent also managed to secure a buffer area along the open-ditch system within the boundaries of the Holland Marsh area from an individual landowner by demonstrating the cost benefits to the farms operation despite the value of the crop that the buffer area would take up. Riparian buffers is what we have managed to complete in Norfolk County and other municipalities in our chapter however Frank has by this accomplishment proved it can be done in anywhere and should in fact be something all Drainage Superintendents should be looking at obtaining despite the specific obstacles to be overcome in their municipality .
